LT-A627.H8.GC

2 Seat Linen Vehicle

The e-Car A627.H8.GC Housekeeping/Linen vehicle is designed to satisfy the service needs of hotel and resort operations, leisure and caravan parks, aged care facilities and gated communities - anywhere an efficient and reliable housekeeping service is required. Boasting three cavernous, easily accessible storage spaces for linen, toiletries, & cleaning equipment the e-Car will minimise restocking times and enhance your service efficiency. This vehicle features a lightweight, but robust rear linen box - with three doors that seal to keep dust and water out. This vehicle is fitted with a tow bar and 50 mm tow ball.

Outstanding Specifications & Exceptional Warranty

Based on advanced German engineering and design all e-car models feature the industry's leading U.S.A. and European brand electrical and mechanical components and are backed by an exceptional warranty.

2 YEARS on electrical and mechanical components

5 YEARS on batteries

Choice of Six Standard Colours

* Other Colours available by Special Order (Minimum Quantities may apply)
